

IHRD THARANG

SCIENCE, YOUTH & LEADERSHIP

3rd, 4th, 5th February 2023

ABOUT US

Welcome to Tharang, the annual Techno-Cultural-Entrepreneurial fest organized by the Institute of Human Resources Development (IHRD), an autonomous educational institution established by the Government of Kerala in 1987. IHRD constitutes 87 academic institutions across various streams which include Engineering Colleges, Polytechnic Colleges, Colleges of Applied Science, Technical Schools, Model Finishing Schools and Regional Centers. The management of the institute is vested with a Governing Body headed by the Hon'ble Minister for Higher Education, Government of Kerala, as the Chairman. The Institute is dedicated to the scientific advancement, technological progress and economic growth of the country through human resources development. Based on the principle, "Think Globally and Act Locally" it endeavors to bring about the welfare of the nation.

IHRD has come up with an initiative to host a Techno-Cultural-Entrepreneurial fest which aims at providing a holistic experience to the students by equipping them with an opportunity to Learn, Express and Impress. The pioneer IHRD Tech Fest Tharang, will be hosted by College of Engineering, Chengannur, a premier institute governed by IHRD.

SPOTLIGHTS

1

Robowars

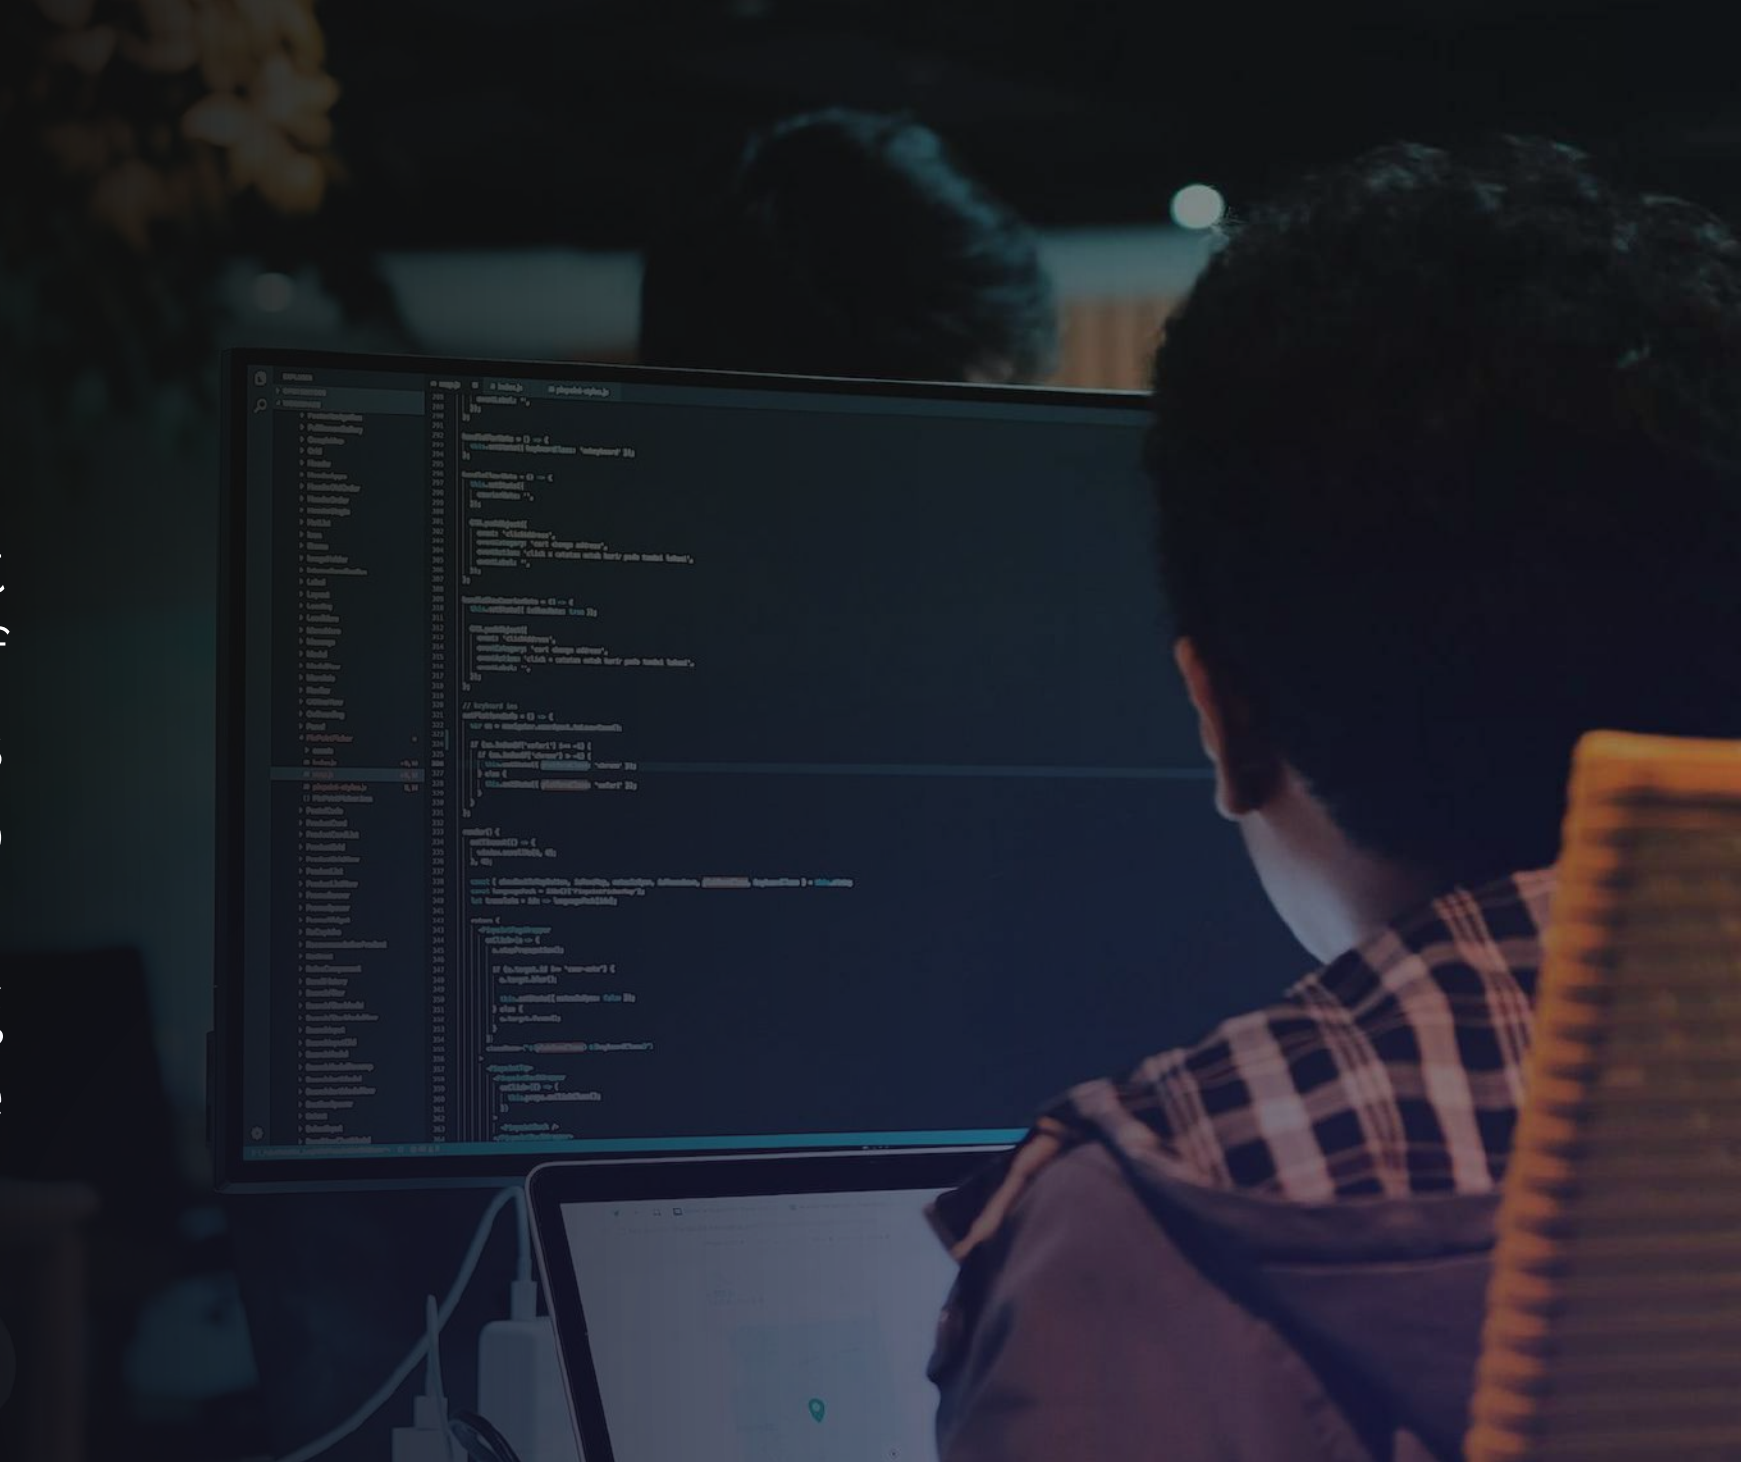

IHRD Tharang presents Robowars, the national-level robot duel competition made to entice gaming and robotics enthusiasts alike, to showcase their gaming and mechanical skills through robo engineering and tactics. Contestants from all over the nation can showcase their customised machinations, destined to battle until only one remains. This event is sure to be a crowd puller as it'll feature fierce warriors pitted against each other in arduous battle, metal and sweat amidst the soaring crowd creating noise nationwide.

2

Hackathons

IHRD Tharang presents an exclusive platform to shine light upon the programmer in you with a plethora of hackathons aimed at young, talented minds to explore the practical side of technology and delve deep into the world of coding. Hackathons enhance the opportunity for citizens across the country to deliver innovative solutions to India's daunting problems at both national and regional level. By fueling the creativity of striving minds, Hackathons harness the expertise of students and pave the way for boosting startups.

A man in a dark sweater is seen from the side, holding a microphone and gesturing towards a large, dimly lit audience seated in a hall. The audience is blurred, creating a sense of depth and scale.

Workshops

To empower students, we are providing hands-on workshop on various areas of tech and non-tech. Backed by strong technology organizations in IT and non-IT fields, we look to deliver and train participants to build products from scratch, that equip them for real-world challenges.

3

A gaming arena with several large monitors displaying various game interfaces. The screens are arranged in a row, and the background features decorative elements and signage, including a 'HOT SPOT' sign. The lighting is dim, with the screens providing the primary light source.

Gaming

IHRD Tharang presents an exclusive arena to unite all gamers and form leagues with players battling it out for victory, from 1v1s to team matches to solo games, be it for leisure or competitive gaming. Gaming boosts the spirit of competitions, helps to develop skills such as critical thinking, and encourages teamwork. Get your game on and prepare for an arena filled with battles, victories and excitement. GG gamers.

Shark Tank

Innovate, Strategize and Sell!

A platform to think big and pitch ideas to several eminent big tank Sharks. One of a kind chance to get personal project funding to encourage young minds and their inventions. We offer unique learning opportunities and bootcamps for start-up innovations from experienced entrepreneurs. The most convincing pitchers will be given a platform to pitch their ventures for Shark Tank for further seed funding and formidable sponsors.

The text "SHARK TANK" is displayed in a bold, white, sans-serif font. It is set against a dark blue background that features a wavy, textured pattern resembling water or a shark's skin. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating or attached to the background.

2

Startup Incubation

Boot Up & Start Up !

Startups are the torch-bearers of new and upcoming innovations and tech. In order to support the cause of marking our nation on the tech map, we've come up with a way to support and encourage opportunistic startups by incubating 35 up-and-coming startups. We provide them with technical and professional support that the team might require, to successfully set the sail to success and work their way up the ladder in today's competitive world.

Start Up Expo

IHRD Tharang gives you an opportunity to exhibit your Start-Ups and products, brand them in South India's largest tech fest and make your presence known to the tech world.

3

Innovator's Panel

IHRD Tharang renders a unique opportunity to hear the most influential mind's comment on the latest techno economical world, along with prominent figure heads affiliated with the government and lead industrialists. Pep-talks include pedantic interactive sessions with the audience and an exclusive peep into the innovator's world.
